TO OUR VALUED CUSTOMERS

In light of the ongoing COVID19 developments in Ontario and in our community, and for the continued safety and well being of our staff, guests and families, we have made the conscious decision to temporarily close Mama Mia's until April 4, 2020. At that time we will reassess the situation.

We hope that in making the decision to close, we can help in the effort to slow the spread of this disease.

The Mama Mia's family wish you all good health and we hope you dine with us when we are up and running again. Please continue to check our social media platforms for ongoing business information.
